PRODUCT FEATURES

The 5 in 1 Ultimate Audio Bundle features supra-aural over-the-ear DJ Headphones designed for crisp sound and comfort. The Headphones use 40mm diameter drivers for bottomless bass and have a wide sensitivity range to deliver robust high-end sound. The Earbuds are designed for optimal portability for use on-the-go. They deliver true audio execution from any audio device with a standard headphone jack. Also included are 3 adapters: 1/4 inch Stereo Male to 3.5mm Stereo Female Adaptor, 2.5mm Phone Headset to 3.5mm Adapter and a 6-in Stereo 3.5mm Y-Splitter (1 Male to 2 Female). Get everything you need to experience Ultimate Audio from a wide variety of devices!
