The world depends on electronic devices, from MP3 players, to smartphones, tablets, and wearables. Running out of power is not an option. The Portable Power 8,000 mAh battery delivers the power you need to keep all of those devices working. Five USB ports charge up to five devices simultaneously - either a combination of smartphones and other USB powered devices or your tablet. Perfect travel companion that stops the search for a place to power up. (And multi ports help to make friends!)
