 1X Cleaning Cloth

## PRODUCT FEATURES

The Premium Protection Pack for the iPhone 4/4S protects your phone and screen from all types of scratches. Made from highly durable PET, the Screen Protectors will ensure your iPhone 4/4S stays as good as new long after you get it. The pack includes 2 front protectors (one Clear and one Anti-Glare), 2 back protectors (one Clear and one Diamond), and a cleaning cloth.

**INCLUDES:** One Clear Front, One Anti-Glare Front, One Clear Black, One Diamond Back, and One Cleaning Cloth

- **Made from professional grade original Japanese PET material**  
 Japanese PET material is glass-like with over 99% visual transparency due to the processing, thermal history, crystal structure and particle size.
- **Protects against dirt and scratches**
- **Residue, finger print and bubble free**
- **Self-adhesive, washable and reusable**  
 You can take these protectors off, wash them, and re-apply.
- **UV Protection**
- **Includes Anti Glare**  
 Great for outdoor viewing. Cuts down on reflections.
- **Includes Diamond Back**  
 The Diamond Back screen protector adds a beautifully unique finish to the back of the iPhone 4/4S. Once you put the sparkling back on your phone—prepare for compliments.
- **Includes ultra-soft microfiber cleaning cloth**

\*\*\*This is truly the best protection pack available for the front and back surfaces of the iPhone 4/4S because of the high quality materials and workmanship. Most screen protectors are cheap, bubble up, get ruined, leave residue or even don't fit properly. These are the best screen protectors money can buy; making them a must-have item for anyone looking to keep their new iPhone in mint condition. Plus you are getting 5 great items in one pack.

## INSTRUCTIONS:

1. Clean the LCD screen thoroughly with the included cleaning cloth
2. Expose ½ inch of the Screen Protector of your choice. Take care not to touch the adhesive side.
3. Align the exposed section with the edges of the LCD screen. Make sure the Screen Protector has been placed straight.
4. Peel off the mask with the provided sticker after application is complete.

Material from Japan  
 Made in China
