Use these extra-long charge and sync cables to continue playing your game when you're out of battery power. Plug the Charge & Play into your PS4 to start recharging the battery and continue the game without interruption. The extra length means no more dragging your chair closer to the screen. Reinforced stress relief at both ends to ensure that your cable will hold up even under heavy game play.

Features

- Two charging cables to keep your DUALSHOCK® 4 controllers fully charged
- 10 foot length allows you to continue playing while charging

Includes

Two 10ft Charge & Play cables and user guide

Packaging languages: English, French (Canadian) and Spanish User guide languages: English, French (Canadian) and Spanish *Controller not included. Final product, features, and packaging are subject to change and may vary from photos.
