Features

The USB Power Mount offers 360° adjustable rotation for flexibility and is compatible with most mobile devices. The mount plugs directly into the DC port in your car and offers high-efficiency fast charging via the USB ports. Made from high quality rubberized PC and ABS material, its non-slip feet hold your device steady. The Dual USB Power Mount can be used in both vertical and horizontal modes. Includes an audio cable.

- High-efficiency, fast charging via 5V, 2.1A (shared) USB
- Rubber grips and cushion stability
- High quality rubberized PC and ABS material
- Short circuit, over voltage and over charge protection
