With two oversized drivers the HiFi Waves speaker offers crisp accurate highs and a passive bass resonator adds exceptional low end response. Close your eyes and the room filling 10 watts of power will let you imagine you are actually at the recording session! Designed in a stylish block design to maximize a true stereo sound stage and deliver every note the artist intended. Simple to connect, plus a crystal clear mic for hands free phone calls. Up to 12 hours of playtime for the perfect addition to your wireless device.
