

EDGE MOBILE DEVICE STAND

SIGNAL™

ITEM No. - SIG-8202
UPC - 8 45620 08202 5
COLOR - Black

PRODUCT FEATURES

The Edge turns any mobile device into a display – perfect for watching videos, video calls, gaming with a controller, and reading. The Edge features two pre-set view angles to work with smartphones and tablets – with or without a case. Use the Edge on the go, on a desk, or in the kitchen – high grip rubber pads on the wide, stable base let you ignore turbulence and keep watching – wherever you go. When folded, the Edge is super thin and easily fits in a shirt pocket or briefcase.

- Adjustable to 20° for smartphones & 35° for tablets for best viewing
- Great for games, viewing movies or video chats
- Rubberized feet to keep stand from moving
- Fits easily into your pocket or purse
- Compatible with most cases or covers
